I have been using ALL VIP Care for the last two years. I had Daisy known as Bryg Valdivia she was my assistant for several different occasions & different times. She was working two jobs. She every wk would complain that she was owed hours, she from my apt. to the office to try and straighten that out. She made the mistake of billing for 42 hrs. when they reduced my hrs. from 42 to 38 hrs. it was an honest mistake I pointed it out to her, but she must of forgotten for 2 occasions. I recommended her for a next next job to mine and she was accepted so she became my neighbor.

When she decided to quit the Agency ALL V.I.P. on Wed night she called me and informed me that she wouldn't be able to work the Thursday on on for she was quitting the Agency, and going to use another agency. So as a complain that she was leaving me. She suggested that I move my <sup>services</sup> to another agency so I wouldn't lose her services And I said no.

I Angela Melendez Am hereby stating that I am not able to go to court. I have been diagnosed with Major Depression plus other illnesses when Daisy worked with me as an aide assisting me. She told me she would be quitting All V.I.P. Care there for she won't be working with me and if I wanted her to continue working with me she suggested to change agency. And the time she reported some additional hrs. was by mistake I had my hrs. reduced and she forgot and put them down on time sheet by (mistake) I repeat it was an oversight, she had no bad intentions. she hadn't had any sleep much sleep for days.

Thank You  
 Angela S. Melendez.
